## VISION, MISSION & VALUES

### MISSION

To beautify every household  
of the world

Enterprise Mission: "To beautify every household of the world" was proposed by the founder of Momali--Mr.Tu Yuanjin when he established Zhejiang Momali Sanitary Utensils Co., Every staff of Momali should remember and inherit

### VISION

To become leading enterprise  
of world sanitary industry

"To become leading enterprise of world sanitary industry" is the goal of Momali company. We must put emphasis on cultural heritage. To become leading enterprise of sanitary industry, we must be professional, innovative, excellent. To improve production process with professional knowledge. To serve customers with superior quality. To achieve the goal, we must discover, obtain, innovate and develop new concepts.

## VALUES

### Pragmatism, Innovation, Morality

#### 1 Value of Pragmatism

**momali core value①**: customer first      **keyword**: customer first

"Customer First, Outstanding service". Always put customers in the first place, and serve them with excellent service, that is the way to survive. Momali always takes the interests of customers as the priority, constantly create and guide the needs of customers while meeting the needs of customers.

Momali always upholds outstanding service. Only in pursuit of excellence, can we deny the former, challenge the existings, thus we can achieve the way to win, to be more perfect.

#### 2 Value of Innovation:

**momali core value②**: inovation, resolute, teamwork

**keywords**: innovation, determination & bravery, teamwork

Innovation is to have the courage to deny authority. "Customer first, Outstanding service" forms the spirit of innovation for the sustainable development of Momali. Guided by the spirit of innovation that dares to deny authority, Momali give full play to teamwork, cooperate with absolute sincerity, self-discipline and dare to be the first. Momalians have quick response, make prompt decision at the right moment, and act with courage and determination. The core of innovation is to emphasis on targeting, achieve the goal with an open mind, and use effective resources to make the impossible possible. Thus the Momalians' spirit of innovation lasts forever however the world changes.

#### 3 Value of Morality& Professional competence

**momali core value③**: passion, integrity, love your job, perseverance

**keywordds**: passion, integrity, devotion, persistence

"To make a person human with virtue, adhere to strictness and fairness; to serve customer with professional competence, and work with enthusiasm; to be loyal, and keep your word. " Every Momalian makes a voluntary contract when he comes into Momali. From being managed to self-managing, thus realizes "self-sincerity, self-study, self-loyalty and self-toughness", and provides resources and mechanism for Momalians to give play to the value of customer first & outstanding service, and innovation.

So that every Momalian can calmly face the changes of the world, and their spirits will remain forever however the wold changes.

### MOMALI CORE VALUES:

#### Customer first

All for customer service, to meet customers' demand, guide customers' requirements.

#### Innovation

To innovate, to create, dare to be different.

#### Resolute

Dare to accept tasks and take responsibilities.

#### Teamwork

There is no perfect individual but excellent team.

#### Passion

No matter how hard it is, I will hack my way through difficulties.

#### Integrity

Loyalty, virtue and justice.

#### Devotion

Professional, excellence, devotion, acknowledgement

#### Persistence

To insist and work harder to realize your dreams. Sucess lies in persistence.

# NEW BEGINNING AND NEW DEVELOPMENT

Continuous improvement of production management and innovative product design.

Without affectation of natural,

Dazzling art fashion, static and dynamic stability  
chang, with love in heart, fresh and tender feeling  
comes from a little concern at the moment.

**TO CREATE  
EXTRAORDINARY VALUE,**  
The pursuit of freedom halfback,  
Is the new fashion life of human yearning.
